5-822. Transfer and sale of surplus real property. When it is determined by the purchasing agent that real property exists, which is not needed by any town department and which property is not the subject of a planned development project of the town, the town council may declare such real property as surplus. The town council may authorize the purchasing agent to direct the sale thereof, and the proceeds from any sale or sales shall be deposited in the appropriate fund of the town.

The purchasing agent may, in addition, solicit competitive sealed bids from prospective buyers, by telephone, by sending them copies of notices, or by any other method or methods designed to reach the greatest number of prospective buyers. The purchasing agent shall specifically send notice of the sale to any and all property owners which border the surplus real property to be sold;

(b) Please Surplus real property is to be sold to the highest and best bidder with the right retained by the town to reject any or all bids or to waive any informalities or immaterial defects contained in said bids;

(d) Competitive sealed bids shall be submitted to the purchasing agent and shall be identified as bids on the envelope. Sealed bids shall be opened in public in the presence of at least two town employees;

(e) Sales of surplus real property shall be in accordance with the "Terms and Conditions for Sale of Surplus Real Property Policy Statement" adopted by resolution by the town council;

(f) The provisions of this section shall not apply when the town is selling surplus real property to any other federal, state, or local governmental unit or agency.

(2) Upon a reasonable determination that the property does

not exceed \$25,000.00 in value, or that there are other unique circumstances making a public advertisement and bid procedure impossible or impracticable, then the council, by resolution, may waive the requirements of public notice, and sealed bidding, and may sell or dispose of the property in question by negotiated contract, or by other means that will adequately protect the public interest.
